OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 018-2019

To: Mayor Gabriel Groisman and Members of the Village Council  
From: Jorge M. Gonzalez, Village Manager   
Date: February 1, 2019  
Subject: **Re-opening of the Herman B. Fultz Bridge Public Parking Lot**

The purpose of this Letter to Council (LTC) is to transmit to you information regarding the re-opening of the public parking lot underneath the Herman B. Fultz Bridge. The parking lot was closed by the Florida Department of Transportation (FDOT) during the bridge rehabilitation project that took place from early 2017 through December 2018. On Wednesday January 30, 2019, FDOT completed the final inspection process and provided the Village with the authorization to re-open the parking lot and resume maintenance activities.

The majority of the required restoration landscape work is complete with the remaining portion of the plant installation to be completed within the next two weeks.

Additionally, the Village Council previously approved agreement to paint the Herman B. Fultz Bridge, is now tentatively scheduled to commence on February 11, 2019. The estimated timeframe to complete the painting and other cosmetic repairs is approximately thirty (30) days. The painting will be completed in sections to limit the closing of access and parking areas.

If you have, any questions please feel free to contact John Oldenburg directly.
