July, 3<sup>rd</sup>, 2017

To: Captain Miguel Delarosa  
CC: City Manager, Jorge Gonzalez  
Subject: Appreciation for assistance provided during the power outage of Saturday June 24<sup>th</sup>.

On the evening of Saturday, June 24<sup>th</sup>, the failure of an FP&L primary feeder line created a serious problem for the Bal Harbour Shops. We lost some of our lighting in the common areas of the Center, including our garage and front parking lot.

As soon as this happened, the Bal Harbour Police Department began a constant patrol of our parking garage and Front parking lot using their emergency flashers and spot lights to provide much needed illumination. In our front parking lot, your officers used their spot lights to help illuminate the path for customers to safely reach their vehicles. This level of support continued for the duration, until power was fully restored to the Bal Harbour Shops.

We are very grateful for your assistance during this emergency. Our success on this date was in no small part due to the timely and capable response of the Bal Harbour Police Department.

Sincerely,

Richard Lodes  
General Manager
