OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 063-2018

To: Mayor Gabriel Groisman and Members of the Village Council  
From: Jorge M. Gonzalez, Village Manager   
Date: April 6, 2018  
Subject: **Beach Access Path South of Oceana**

The purpose of this Letter to the Council (LTC) is to transmit to you the results of a security check at the Bal Harbour Beach Access Path just south of the Oceana.

At a recent Council meeting, we received information that individuals were sleeping on the park benches located on the access path. As a result, a mandatory security check was implemented. Bal Harbour Police Officers initiated multiple park and walk security checks of the beach access. A police sergeant was assigned to track all activity and police action for 30 days and submit a report to police staff documenting any police response. Additionally, the sergeant met with Oceana security personnel and notified them of the information received and asked them to notify their employees and contractors to refrain from loitering on the beach access path.

After the 30 day security check, the police department did not locate any individuals trespassing or sleeping on the beach access path, nor were there any additional complaints received.

Should you have any questions or require additional information, please contact Acting Chief Raleigh Flowers, or me directly.
